

# ARDEN SHARKS

## 2025 Swim Meet Schedule

Swim meets begin promptly at 6pm.

It's important that swimmers are at the pool by **4:30 PM** so they have enough time to get their **events and swimmer number written on their hand** before warm-ups begin.

**Swimmers need to be in the water at 5pm for warm-ups.**

We aim to create a strong, supportive team environment where swimmers build friendships and cheer each other on. To help foster this sense of connection, we ask that athletes refrain from using electronics during meets. Instead, we encourage swimmers to be present—supporting teammates, celebrating successes, and staying engaged in the team experience.
